THE PROTECTION

afforded by an insurance policy in a
good company is worth much more
than its cost. The insured man saves
enough in freedom from worry to more
than pay for the policy. The joy of
Christmas will not be marred for the
insured man by the fear of what might
happen.

MAKE YOURSELF

equally care free. Tell me the kind
of policy you want and for how much
and I will do the rest. All you have to
do is to pay the small premium which
you will hardly miss. It's not worth
while to worry when you can get in-
sured so easily.

MILDRED HOLLAND

In "The Triumph of An Empress" Comes
to the Traders Grand Opera House
Wednesday Evening, Dec. 28.

The announcement of the appearance
at the Traders Grand opera house on
Wednesday, Dec. 28, of Mildred Holland,
as Catherine, the Great, in "The Triumph
of An Empress," will be particularly
welcome to the hundreds of friends of
that accomplished actress in this city,
as well as to those theatre goers who
appreciate serious effort in the drama.

The subject of the theme of "The
Triumph of An Empress" is an exalted
one, and while Miss Holland does not
actually follow recorded facts of his-
tory in her portrayal of the great Em-
press, she shows her higher and better
characteristics, her devotion to the
duties of state and her great material
love. That she can adequately do this
is evidenced by the following extract
from the Boston Record:

"A delighted audience at the Majestic
last evening witnessed Mildred Hol-
land's interpretation of Theodore Kre-
mer's "The Triumph of An Empress,"
a drama portraying the indulgence of
that eccentric sovereign, Catherine, who
swayed Russia a century and a half ago.
Mr. Kremer has enveloped his drama in
an atmosphere thoroughly Russian and
illustrated with subtlety and finesse,
the characteristics of the period in
which it is laid. Miss Holland's con-
ception of Catherine was a faithful de-
lineation of that imperious monarch as
outlined in the pen pictures of Segur,
Ligny, Rousseau, Voltaire and others,
weaving through the strong wood of her
interpretation a tender yet powerful warp
of mercy and womanliness."

An Epidemic of Puckered Lips.
There has been an epidemic in the
wake of Miss Bob White which resem-
bles the deadly work of the kissing-bug.
But the Hobsonian insect is not to
blame for the present malady, but the
original composer, named Willard Spencer,
whose brilliant and catchy melody
in Miss Bob White has set more lips
pucker than any other opera recorded
to date. It is booked for appearance
at the Traders Grand opera house soon.

**SOME REASONS WHY
PEOPLE ARE SETTLING
IN MISSISSIPPI AND LOUISIANA**

Because it is the best country known to the man of moderate means...

Because you will find a country of rich soil awaiting the settler.

Because there are uplands, prairie lands and alluvial river bottoms.

Because you can be certain of profitable returns from whatever you put

into the soil.

Because the winter does not consume what the summer produces.

Because there are more and better opportunities for diversified farming

than elsewhere.

Because the seasons are regular and no fear of crop failure.

Because the country is never scourged by cyclones and devastating

storms and blizzards.

Because everything grown elsewhere can be produced here more abun-

dantly.

Because truck farming is a success; products being early on the market

obtain high prices.

Because no better fruit country is known, oranges, plums, pears, peaches

apples, grapes, strawberries, figs, peacans and others fully

maturing.

Because there are more chances for profitable investment of capital

than elsewhere in this country.

Because for healthfulness this section is unequalled on the face of the

globe.

Because you have no long winter months to encounter, with no exces-

sive dry heat in summer.

Because the climate is more uniform than elsewhere, no extremes of

heat or cold.

Because you will find as orderly communities as anywhere on this con-

tinent.

Because you will find the most open-hearted people on the globe.

Because education is paramount; public schools and churches of every

denomination are to be found in all communities.

Because the railroad facilities of this section are unequalled, a double

tracked railroad traversing the entire length of both states.

Because really good lands are yet cheap.

Because the geographical location of these states gives them the best

markets in the United States.

We seek lands for home seekers or for colonies. Write today for

full particulars and letters from Northern farmers already located in

the South.
